

UNION HILL CONGREGATION

Serving our Community Since 1984

July 5, 2019

Dear Friend,

We pray that you are well and enjoying the beautiful summer.

Each year at this time, we turn to you to support our **"Mid-year Fundraising Campaign"**. Our incredibly low membership dues and open-door policy dictate that we do so.

Indeed the doors of Union Hill Congregation are opened wide for all people. We are so happy that all sorts of Jews from across the community and beyond frequent our shul and find it to be vibrant, friendly, and inspirational. This year is an especially exciting time for us, as we have welcomed a number of new members who have moved to the community.

UHC is a center of prayer, Torah study, and chesed (kindness). Supporting our shul is taking part in visiting the sick, comforting the bereaved, feeding the needy, inspirational prayer, Torah study on many levels, and spreading the ideals of Sinai – all the great categories of Tzedakah/charity.

We hope that you appreciate the services that the shul provides and will want to extend your role in its upkeep and development.

Please respond today with a donation or pledge, and become a partner in building an exciting future! See the enclosed pledge card for your options. You will find new, special sponsorship opportunities on the back of the card.

Thank you for your consideration and generosity. Best wishes for a healthy and happy summer.

Sincerely,

Mr. Harry Scher, President

Hayim Leiter, Rabbi
