August 2021/Elul 5781

Dear Friends,

I hope that you have had a pleasant summer.

With Rosh Hashana and Yom Kippur quickly approaching, we, here at UHC, are working hard to ensure that the experience at the shul during these magnificent days will be elevating, meaningful and satisfying. We are pleased to let you know that Rabbi Asa Minkowich, known for his beautiful voice and inspirational melodies, will once again be leading the services.

**Seating reservations are now being accepted.** Seating costs are \$100 per adult members, \$36 per child/student, and \$150 per non members. Standard membership is \$150 (\$100 for seniors 65 years and up) and is due along with seat reservations.

Please Note:

- Families pay one membership.
- We will try to honor seat-preference requests.
- Due to our relatively low membership fee, we feature two **voluntary** levels of membership:
  1. The Supporting Member at \$365 – this member supports the shul with \$1 per day, and has his hand in all of the daily activities.
  2. The Mitzvah Member at \$613 – this member takes a significant stake in the merit of all the shul’s learning, prayer, and chesed activities.

(The standard membership is included in these two voluntary membership levels.)

- Please send in your reservations **as soon as possible as space is limited.**

I look forward to seeing and praying together with you.

Best wishes for a happy and healthy new year,

*Rabbi Chaim Leiter*

Ps: Due to the fact that Covid is still a concern, we will have areas set up near windows outside for those who would like to be part of the davening/Shofar Blowing and remain outdoors.
